We have been working with web designer Melisa Frampton to create our website and SFEF is proud to announce the launching of our new website.

The Foundation continues to grow and expand with new ideas and it wants to have the ability to share those with the students, teachers, patrons, and alumni of South Fremont. We hope to be able to better serve you by creating this website now and into the future.

We hope that we can better communicate with each of you and give you a clear picture of what we are trying to accomplish. We also want to be able to provide a tax vehicle to give locally where it benefits our schools the most. Your donations do make a difference to the lives of those who receive them. Thank you!

President

## **FOUNDATION DIFFERENCE**

You can now donate to the Foundation every time that you purchase from Amazon. Just go to [smile.amazon.com](http://smile.amazon.com) and it will ask you to identify the Foundation that you want to support. Just type in our location and highlight us and you are good to go.

Idaho provides a true tax credit for those contributing to a local foundation. Whether you are single, married, or a corporation, 1/2 of everything that is donated can be taken off of what you pay to the State. You also receive the tax benefit on your Federal Income Tax return as well.

Set up a scholarship fund to give back to a graduating Senior, donate to the General Education Endowment Fund or just give to the Foundation. Your contributions really do matter and they do make a difference!
